# Neighbourhood Plan QUESTIONNAIRE

## PRIZE DRAW WINNERS!!!

Many CONGRATULATIONS to the three prize-winners whose names were picked at random out of the hat by our independent consultants.

*1<sup>st</sup> prize - Martin Conboy*

*2<sup>nd</sup> prize - Rob James*

*3<sup>rd</sup> prize - Dave Rudge*

Thank you to everyone who completed the questionnaire! It was a wonderful response with 186 residents (37%) participating which is a great result and significantly higher than other Neighbourhood Plans have achieved. The results will be published shortly with all your preferences and views.

Many thanks go to the data entry working party who spent an evening uploading all the paper responses onto the system in order to get the data incorporated into the system. (Sadly, no wine was involved so sobriety was the order of the evening!)

## Heritage Open Days 13 - 22 September 2019

Every year in September places across the country open their doors – for free – to celebrate their heritage, community and history. One such place is Farleigh House, Farleigh Wallop, where visitors can view a number of works of art, furniture and silverware considered to be of national interest. Opening times are Friday 20<sup>th</sup> September 9.00am – 4.00pm and Sunday 22<sup>nd</sup> September 10.00am -2.00pm. As this is a private house, viewings must be pre booked. The booking contact is Greta Iddeson on 01256 321026 or email [estatemanager@portsmouthestates.co.uk](mailto:estatemanager@portsmouthestates.co.uk). Booking closes on 15<sup>th</sup> September.

The website [www.heritageopendays.org.uk](http://www.heritageopendays.org.uk) gives details of all the venues taking part. The Winchester area has over 100 free events and its own website [www.winchesterheritageopendays.org](http://www.winchesterheritageopendays.org)

## Community engagement report summary

Here is a brief summary of the top scoring answers to some of the questions in the Community questionnaire. Hopefully this will give you a flavour of the responses. All issues mentioned in the question about environmental issues proved important to respondents, but we have only shown the top 4 here for the purpose of this summary. The full report will be available soon on the website.

### Do you have any concerns about any of these aspects of Cliddesden?

The speed of traffic
Levels of traffic congestion
The condition of roads and pavements
Provision of bus services

### What type of housing is most needed in Cliddesden?

Housing for people with a local connection to Cliddesden
Small houses (1 or 2 beds) semi-detached
Starter homes
Affordable retirement accommodation

### How important do you feel the following environmental issues are for Cliddesden?

Maintaining the physical separation of Cliddesden from the urban expansion of Basingstoke.
Retaining and protecting the green space around the parish
Retaining and protecting green spaces (woodlands, etc).
Retaining the rural character of the parish.

### What principles should influence the design of any new residential developments?

Retain and protect existing hedges and wildlife corridors with in and adjacent to development sites
Retain and protect existing trees within and adjacent to development sites
Ensuring a "rural feel" to developments
Be proportionate to scale, layout and character of surrounding buildings.

### If you could improve anything about Cliddesden, what would your top 3 points be?

Number of comments relating to each section of the questionnaire:

Community	Housing	Traffic/Transport	Environment/Character	Health/leisure	Pub
104	59	169	20	34	66

The most common issues mentioned were related to traffic and vehicles traveling through the village. Respondents were also keen to see improvements to the community and village such as a village shop or an area for children to play. With regards to comments on housing and developments, respondents were keen to improve parking issues and echoed the themes from previous questions, wanting small homes and small developments, which respect given to the local environment and character.

## Summer Term

The second half of the summer term is always extremely busy with sporting events, trips, concerts, performances and of course we say goodbye to our Year 6 children...

### Year 1 and 2 Scatterball Tournament

We were lucky enough to enjoy glorious weather for the Year 1 and 2 Scatterball tournament. As always we showed great determination and we were really impressed with the standard our team played to, both in their fielding and bowling.

The parental support for this event was brilliant and really helped with the happy vibe.

Our final result was joint 4th out of 6 teams. The children should be very proud of the way they represented their school.

### Whole School Skipping

We enjoyed a brilliant day of skipping with all of the children astounding us with their skills and determination.

The level of stamina shown was incredible and the progress made since we announced the event has been really pleasing. There has been a real buzz about skipping on the playground with the children helping each other to improve.

We have been overwhelmed by the generosity that has been shown to support this event.

The GRAND total raised for the British Heart Foundation is £574.60, school will receive 20% of this amount, which we will use to buy new playground equipment.

### Sports Day

A lovely warm day for our 2019 sports day.

Excitedly, the children arrived at Brighton Hill School. Register was taken and the children sorted themselves into their house teams.

The Brighton Hill sports leaders helped the children to warm up and then each house captain led their team out to the sports arena before they went to the first of their Athletic Skill Stations.

Children had been preparing for these during their PE lessons. These included jumping circuits, throwing, rugby shuttles, a water race and dribble hockey/football and bouncing a tennis ball on a racket around cones. It was great to see so much support and encouragement across the two key stages.

The second part of the morning was enjoyed watching the children in the sprint races, egg and spoon and relay races finishing off with up and over. Family and friends stayed for a picnic lunch with the children. A huge well done to all of our children for taking part and showing Real PE values and to the BH sports leaders who were a credit to their school.

### Year 5/6 Football Tournament

Our Under 11 football team took part in a Basingstoke Schools 5-a-side competition. We finished in 6th place overall and won 3 of our games.

We had a thumping from some of the teams but carried on with determination and all enjoyed the tournament tremendously.

### Staff vs Year 6 Netball

This year the chosen sport for Staff vs Year 6 end of year competition was Netball. This event is highly charged, competitive but above all a huge amount of fun.

Mrs Hussey, our referee, explained that we were playing High 5 and told us the rules and expectations. The teachers had a reputation to uphold. Four exciting matches were played in total and each match was played in good spirit. The scores were 4-0, 4-2, 5-2 and 3-2 to teachers making the teachers the victors winning 16-6. However, by the last match, the score was close, maybe the teachers were tiring!

Regardless of the score, we were incredibly proud of the sporting values shown by Year 6 and the respect they showed towards their opposition.

### Beech Class Church visit

As part of our RE topic, Beech Class has been thinking about 'Special Places' and in particular how churches are a special place for Christians.

On the afternoon of 11th July, Beech Class visited the local church in Cliddesden village - St. Leonards Church. We walked through the country fields to get to the church and were met by Reverend Stephen on arrival.

Whilst we were at the church we were shown special parts of the church which are important, such as: the font, the lectern, the altar, the pulpit and the pews. We were also very impressed with the stained glass windows and we learnt that the windows are there to tell Bible stories through pictures. Reverend Stephen also let us listen to the church bell - we liked hearing the sound this made and thought about how it made us feel.

Reverend Stephen told us that people go to church for many different occasions like weddings, baptisms, funerals, confirmations and most importantly for prayer.

The children had some time quietly reflecting on their visit in the church and deciding what was special in that moment. Popular answers were the age of the church, the stillness, the stained glass windows and the bells.

We all enjoyed our visit to the local church and it was nice to experience what it is like to be in a church. We have learnt more about how and why churches are special places to Christians.

### Brodowski Quartet

Brodowski Quartet came into school today and took the children on a tour to different countries with their music.

They visited Germany first with a piece from Brahms (1833-1897). The Quartet introduced themselves and their

instruments. Children learnt that violins were first made in Italy, as we know them today, and are the smallest of the string family. Also, playing with a bow has a name, 'Arco'. Next in line with a deeper sound is the viola followed by the Cello with a very deep sound.

The next piece played was by Tchaikovsky (1840-1893) followed by Peter Warlock (1894-1910), which brought us back to England where children learnt the difference between the melody, harmony and base. Some lucky children were invited up to demonstrate the differences by being the Quartet's controllers.

Borodin (1833-1887) was the next piece played and children were encouraged to picture the story behind the music as they listened.

Off to Austria with Mozart (1756-1791) where children had a try at conducting the quartet along with Mrs Hussey who was nominated by her class. The children clapped along to the 'Sailors Hornpipe' before the final piece. It was a lovely summer concert.

### Ukulele Concert

Year 1 and 2 performed their end of term concert, playing ukulele to a big audience. They all did a brilliant job and were very professional, demonstrating excellent performance skills. The children played a variety of pieces to show off their skills in strumming, plucking and playing chords as well as singing at the same time! Both year groups played together meaning there were over 30 ukuleles being played at once and it sounded fantastic! The children's favourites were 'Ukulele Magic' and 'Fly Away' which had a bit of whistling in the middle too!

The concert ended with a dramatic rendition of 'In the Hall of the Mountain King', with the children playing beautifully in time to the orchestral backing track. A hugely successful concert once again Year 1 and 2!

### Rocksteady Summer Concert

Our Rocksteady bands treated the whole school along with family and friends to a superb end of term concert. The audience enjoyed joining in with some of the songs and it is always a pleasure to see how much the children have progressed. A huge thank you to Simon from Rocksteady for all his hard work, support and encouragement.

### Robin and the Sherwood Hoodies

What a truly spectacular performance by Oak Class. A show full of fantastic acting, beautiful singing and packed with lots of humour. A great way to end the year.

Deep in Sherwood forest, in 1192, the people live in wooden houses and are forced to live in filth. It used to be such a happy place until the evil King John (who is really a prince) started to run out of money and raised the taxes... for more, see our website.

### Graduation Assembly

It was time to say farewell to our Year 6 children. Words from Mr Davies, Mrs Montgomerie and Reverent Stephen, graduation presentations, a memories video, the special Headteacher's award, a presentation by parents all finished off with a song from their performance. We wish all of our Year 6 children lots of luck in the next chapter of their adventure.

Throughout the years at Cliddesden Primary we have cherished many happy moments together. Some have come and some have gone but we have made many amazing friends, kept a strong bond and will never forget each other. We thank all the staff that have taught us through the years. We look forward to going to our new secondary schools but will look back at Cliddesden with many fond memories.

## COUNTRYSIDE HEDGEROWS: PROTECTION & PERMISSION

<https://www.gov.uk/guidance/countryside-hedgerows-regulation-and-management#check-if-a-hedgerow-is-protected>  
[https://www.cpre.org.uk/countryside/hedgerows/item/download - ref DEFRA GUIDANCE](https://www.cpre.org.uk/countryside/hedgerows/item/download-ref-DEFRA-GUIDANCE)

**A** countryside hedgerow is a boundary line of bushes which can include trees. The Hedgerows Regulations 1997 are designed to protect hedgerows in England and Wales.

### IS PERMISSION NEEDED TO REMOVE A HEDGEROW, EITHER IN WHOLE OR IN PART?

Yes... if the hedgerow –

1. Has continuous length of at least 20m – or if less than 20m, meets another hedgerow at each end; and
2. grows in or adjacent to land used for agriculture, forestry, or breeding or keeping of horses, ponies or donkeys; or any Common land, Village Green, nature reserve, Site of Special Scientific Interest (SSSI).

No... if the hedgerow –

1. Is shorter than 20m (unless both ends join up with other hedgerows or it is part of a longer hedgerow); or
2. is in or borders a domestic garden.

*Note 1: Gaps of 20 metres or less are counted as part of the hedgerow. A gap may be a break in the vegetation or it may be filled by, for example, a gate.*

### HEDGEROW REMOVAL NOTICE

If permission is needed according to the criteria above, a Hedgerow Removal Notice should be submitted to the Local Planning Authority (LPA). There is no charge for this.

*Note 2: Coppicing, laying and removing dead or diseased shrubs or trees are considered to be normal management and do not require prior permission.*

### IMPORTANT HEDGEROWS

The LPA will make a decision to grant or refuse permission – but may refuse consent only if a hedgerow is considered to be important.

- **It is against the law to remove most countryside hedgerows without permission.**
- **Permission to remove a hedgerow or part of a hedgerow covered by the Regulations – should be sought by submitting a Hedgerow Removal Notice to the LPA.**
- **Removing a hedgerow without permission (whether it is important or not) may result in an unlimited fine and a requirement to replace the hedgerow.**

**For the purposes of the Regulations a hedgerow is important if it is at least 30 years old and meets at least one of criteria below:**

- marks all or part of a Parish boundary that existed before 1850
- contains an archaeological feature such as a scheduled monument
- is completely or partly in or next to an archaeological site listed on a Historic Environment Record (HER), (formerly a Sites and Monuments Record)
- marks the boundary of an estate or manor or looks to be related to any building or other feature that is part of the estate or manor that existed before 1600
- is part of a field system or looks to be related to any building or other feature associated with the field system that existed before 1845 - you can check the County Records Office for this information
- contains protected species listed in the Wildlife and Countryside Act 1981
- contains species that are endangered, vulnerable and rare and identified in the British Red Data books
- includes woody species (generally 7 or 6 species) and associated features as specified in Sch 1, Part II Criteria, para 7(1) of the Hedgerow Regulations.

**The 17th Annual Abbey Lecture will be given on Friday October 11<sup>th</sup> 2019 at 7pm**

**In the Abbey Church, GU34 4AP**

**The subject: "Freeing the incarcerated from prisons of their own making" chosen by our Lecturer Canon Alan Hodgetts OSB Obl.**

*Let us go, sit in our cell...*

*...and our cell will teach us everything*

These words of Abba Moses chime with the experience of this great man:

*The cell is an ideal place to know yourself. People tend to measure themselves by external accomplishments, but jail allows a person to focus on internal ones, such as honesty, sincerity, simplicity, humility, generosity and an absence of variety. You learn to look into yourself.*

Alan will help us explore why we do what we do and how the Enneagram can inspire transformation through Self Awareness, Self-Regulation and Self Compassion for all of us on both sides of the bars. The Enneagram comes into its own when the *Pain of Change becomes less than the Pain of Remaining the Same.*

***"Once we recognise the prisons we make for ourselves - then not only will the Lord come to us as He promised (Mt. 25.37) - but we discover the Truth that can set us free (Jn. 8.32)"***

Canon Alan Hodgetts was ordained priest in 1983, serving 2 curacies in Birmingham and Hereford dioceses and 2 incumbencies in Guildford Diocese. He became a Prison Chaplain in 2006 and is currently the Managing Chaplain of HMP Woodhill. He became an Oblate of Alton Abbey during his Diaconal Year in 1982 and increasingly finds his spiritual life underpinned by the 3 Benedictine promises of Obedience, Stability and Conversion of Life. He is a trained Spiritual Director in the Ignatian Tradition and more recently a Certified Teacher of the Enneagram in the Narrative Tradition, in June he helped to guide the first Enneagram Prison Project in a UK prison.

The Lecture will be followed by supper with wine in the Abbey Refectory

A handful of us went to the Weald & Downland Living Museum on what was the hottest day ever recorded! Mad or what! Despite that, we had a very enjoyable day visiting all the buildings and listening to the volunteers explain how people lived their lives at that particular time. The buildings, apart from the Gridshell building, were cool so that gave us some relief from the heat. We had a guided tour of the Gridshell building which I found fascinating, from the way it was built to viewing all the many artefacts which are stored underneath it. The top part was pretty unbearable in the heat but the area below was air conditioned and I think we would all have liked to stay there for the rest of the day. There were members of the Repair Shop on hand as well to sign their book, which has just been launched, which was a bonus. A place I found thoroughly recommend – but on a cooler day!

The craft group met at Catherine’s home for a daylong session making items for Christmas – yes, Christmas. It was a fun day making a ribbon and bead garland on wire, a Christmas tree picture with buttons and some cards. We were all pleased with our efforts.

Our monthly meeting was a Games evening where we had a quiz trying to work out what was inside cloth bags, a quiz on place names, darts, bagatelle and Articulate. A lot of fun and laughter and a good old chat. The visit to the Haymarket to see 9-5 and the Christmas dinner are organised and we are also working on having a lunch visit to Conkers in October.

**Next Meeting**                      **19<sup>th</sup> September**  
**Our 97<sup>th</sup> Birthday celebration**  
**With Irish Dancers and the Cupcakes**

The Committee have been busy organising all the refreshments and we have invited some members from WIs’ in the area. Some of us have seen the Cupcakes before, they are members of another WI, and they are hilarious. We can’t wait to see them again.

# BASINGSTOKE LIONS CLUB – JULY 2019

Our main fundraiser for the month was the “**The Moscow Drug Club**” at QMC. They gave us a superb performance. As a group of talented musicians, they are beyond reproach and the voice of their leader sends tingles down the spine. When the performance was over, and we were clearing the tables, I had the opportunity to talk to a few of the audience who were lingering over their drinks. They had clearly really enjoyed it and several groups were seeing them for the 2<sup>nd</sup> and 3<sup>rd</sup> times. So, if the opportunity to see them comes around again, they are definitely good value.

Our next planned event was supposed to be Ali Mac’s Rhythm and Blues band on 21<sup>st</sup> September at the Royal British Legion Club in Old Basing. Unfortunately, the group had to cancel due to the hospitalization one of its members. **We’ve rebooked them for 5<sup>th</sup> October.** Tickets are available from Tony Bamberger, tony.bamberger@hotmail.co.uk telephone 01256 850254, Maurice Hockley email: mauricehockley@hotmail.com or telephone 01256 421867, Toucan Travel at Chineham or direct from our website [www.basingstokelions.org.uk](http://www.basingstokelions.org.uk).

On the assumption that I will not drop off my perch in the meantime, the fundraiser thereafter will be our notorious **Quiz Night at the Cliddesden Millennium Hall on 9<sup>th</sup> November.** If you fancy your chances email me philipjhwilson@btinternet.com You need a team of 3 or 4 and a short pithy team name. Visit our website [www.basingstokelions.org.uk](http://www.basingstokelions.org.uk) to see the full format of the evening. It’s the best £5 worth of fun and frustration you’ll have all year!

A week later, on **16<sup>th</sup> November, the Heritage Light Orchestra** will play a concert of music associated with places on the route of the Orient Express for us at QMC. These concerts are specially designed for us and feature local musicians and singers. They’re well worth supporting.

Another date for your diaries is **10<sup>th</sup> October** when we will again celebrate **World Sight Day** in the Malls. This is your annual opportunity to speak to someone who may be able to advise you or point you towards the right people to approach on sight related matters, and to donate your unwanted spectacles for recycling to the 3<sup>rd</sup> world. No doubt Lennie the Basingstoke Lion will be in attendance. He/she (never worked that one out) manages to appear pretty much everywhere, most recently at the Hook Fete. On the Welfare front the demand for white goods for families without the means to replace broken appliances continues unabated. We normally obtain expertly recycled goods from the Community Furniture Project. But demand for cookers recently exceeded supply and we had to resort to a new purchase.

We have had a request to assist with equipment for a young girl suffering multiple disabilities. We will help but cannot meet her needs on our own. We are currently trying to recruit other local Lions Clubs to her cause. We’ll let you know how we get on in due course.

We also had a very interesting talk from two members of the **Basingstoke Rape and Crisis team (BRASSAC)** and have set aside funds to assist them when needed.

Regrettably I have to end on a sad note. Our previous District Governor, **Ken Staniforth**, lost his battle with cancer. In my monthly report in December 2017 I wrote “VDG Ken Staniforth attended our last business meeting. He’s always a welcome guest .....” He was great company and continued his dedication and enthusiasm for helping others through Lionism to the end. His spirit lives on!
