#### Chairman's report March 2025.

The imminent arrival of Spring has coincided with the Trustees making some significant decisions with the evolution of our Five-Year Plan.

With the Hall now in its 25<sup>th</sup> year of operation it is time to undertake some refurbishment work to this wonderful asset we enjoy. This will involve the sanding and refinishing of the Hall and Meeting Room floor to return it to its original condition. This will be coupled with the refurbishment of the Male and Female Toilet Facilities, the latter being reconfigured to make better use of the available space.

To allow this work to take place the Hall will close between 4th-16th August, during the school holidays, when bookings tend to be lower.

To celebrate the Hall's 25<sup>th</sup> year of operation, we are planning to hold an event at the Hall, on Saturday 2<sup>nd</sup> August, prior to its closure. **Please save the date in your diaries.** The format is still to be confirmed, so suggestions are welcome.

If you would like to know more about our plans for the future or have any comments you wish to make concerning the Hall, please come along to our annual AGM at 7.00 pm on Monday 24<sup>th</sup> March, we would be pleased to see you.

We were very sad to hear that Edward Dowson (Ted) passed away suddenly at the beginning of January, having had a very difficult time last year with multiple hospital stays. He ran the monthly Film Club at the Village Hall for many years, being a knowledgeable and keen film-goer. He attended the monthly coffee mornings regularly where he displayed his skills as an enthusiastic table tennis player. Ted was a very sociable person who supported many village hall events. We will miss his enthusiasm, energy, and his wonderful sense of humour.

The Hall has made a donation, in his memory, to The Hawk Conservancy.

At our February meeting, our speaker was Rev. Jane Leese. Jane called her talk "More tea, vicar?" but it could have been subtitled "Surprising Outcomes!" as she had been surprised herself by the way her life had taken.

She gave a very interesting and memorable talk about her life and work as a local vicar who had trained at Salisbury and had been ordained in Winchester.

She was one of the early female priests, and worked in areas such as Kempshott, South Warnborough and Long Sutton during her ministry, before retiring in 2016.

Next month Jacqui Matthews will help us with seated yoga.

Chairman: Seumas Foster    tel: 07768443658    email: seumas@cropfosters.co.uk  
 Secretary: Marilyn Smith    tel: 462584    email: willow.ms@btinternet.com

#### **'Q. March is a busy time for gardeners. Discuss'.**

Where to start? There is a lot to do to get ready for the new season. A lot of work will have been done already, although this year is not making early working in the garden easy. Looking for a silver lining, and gardeners must be optimists, leads me to our water butts filled with rainwater, which is a good start!!

#### **Baked, Chipped, or Boiled**

We had an excellent meeting with Alan Wilson at the end of January. Alan is very knowledgeable about potatoes. I didn't know that potatoes are not counted as one of our '5 a day', because they are such a staple in our diet. Or that Sir Walter Raleigh didn't bring the potatoes as we know them, he brought the Sweet Potato.

We are ready to start the process of growing our potatoes now better informed about the varieties that should do a good job, and when to plant and how to fertilise and water them. Many of us ordered seed potatoes from Alan, they will be delivered at the end of the month.

It did strike me from the comments made that probably a lot more of our members grow potatoes in bags rather than in the ground.

#### **Q??**

Our next meeting will be the Quiz with the Candover Valley Gardening Club on March 13<sup>th</sup> at Cliddesden Millennium Hall, from 7.30pm. The quiz will cover gardening and lots of other things so will be for everyone. More details will be sent out before the meeting.

#### **Getting Value**

If you have had a pot of daffodils in the house, or maybe a bowl of hyacinths which have done their best for you, then plant them outside somewhere so they can recover over the summer and flower again next year. Take them out of the pot or bowl and just drop them into a hole in the garden where they will not be mown off, and cover the bulbs with soil. Planting doesn't have to be too gentle although they will appreciate some feeding at some stage in the spring. Over the years I have put some in the roadside verges outside the house and they have settled in, we get the benefit of flowers every year from them. Colourful Polyanthus will also do very well too after they have done their bit in a tub and are set free!!

On Friday 31<sup>st</sup> January we went along to The Farleigh Club to celebrate the life of Ted Dowson who sadly died on 12<sup>th</sup> January. Ted ran the Film Club for many years amongst his many interests. Listening to his daughter's eulogy of his life brought many surprises and admiration for a man who lived his life to the full, followed his interests and served his community well. I will always think of him as a kind and gentle man and I'm sure we will all miss him.

## 100 Club Winners and Membership Renewal

The draw for February was called at the Coffee Morning held at the Village Hall on 10<sup>th</sup> February 2025. Here are the lucky winners. Congratulations to:

1<sup>st</sup>: 443 Rob James2<sup>nd</sup>: 63 Ian Hopkins3<sup>rd</sup>: 94 Edward Rampton

We are now approaching the start of the 2025/26 membership for the 100 Club and are looking for new members to join and the renewal of existing membership.

There is no easier way to help with fundraising than joining the 100 Club, or increasing your "holding". More tickets sold mean more funds for the Hall and more prize money.

For people who are new to Cliddesden the 100 Club is a way to have a little flutter and help look after our lovely Millennium Village Hall. Each month half of

the proceeds are paid out as prize money; 1<sup>st</sup> prize 30% (currently £35), 2<sup>nd</sup> prize 15%, 3<sup>rd</sup> prize 5%. The remaining 50% goes to the Hall fund.

*Membership is only £12.00 per year, per number, no limit per household.*

There are a variety of ways you can make payment - Electronic Funds Transfer, Standing Order, cash or cheque. Cheques should be made payable to 'Cliddesden Village Hall'. The easiest method is Electronic Funds Transfer or Standing Order and the Hall's

bank details are on the form below. You can hand cheques and cash, along with the form, to Angie Fewster at Ridgewood House, Farleigh Road, Julie James at Leaview House, 10 Hackwood Lane, or Rose Beevers, Church Farm Cottage, Church Lane.

If for any reason you are an existing member and do not wish to continue to support the Village Hall via the 100 Club could you let me know and I will withdraw your number, otherwise your number will continue to run for 2025/26.

**GOVERNMENT CONSULTATION ON DEVOLUTION**

On 05 February 2025, Government confirmed that 'Hants and Solent' is one of six areas accepted for Priority Devolution; others being Cumbria, Cheshire and Warrington, Norfolk and Suffolk, Greater Essex, Sussex and Brighton.

Government proposes the new authority be formally known as '**Hampshire and the Solent Combined County Authority**'. Combined County Authorities comprise a group of councils, in this case, Hants County Council, Portsmouth and Southampton City Councils, and the Isle of Wight. Combined Authorities do not replace the constituent councils which continue to provide services in the same way (until the advent of Local Government Reorganisation).

There is a statutory process to be followed to establish a Combined County Authority. This includes a public consultation.

[www.gov.uk/government/consultations/hampshire-and-the-solent-devolution](http://www.gov.uk/government/consultations/hampshire-and-the-solent-devolution)

**The consultation runs for eight weeks from 17 February to 13 April 2025.**

**The on-line consultation document provides context and information:**

**PROCESS AND FUNCTION**

The 'Devolution Framework' to be implemented via the English Devolution Bill.

As a Mayoral-level Combined County Authority, Hampshire and the Solent will receive powers, functions, funding and investment for – Strategic leadership – Local growth plans – Transport and local infrastructure – Skills and employment support – Housing and strategic planning – Economic development and regeneration – Environment and climate change – Health, wellbeing and public service reform – Public safety including Police and Crime Commissioner plus Fire and Rescue Authority functions.

**CENTRAL GOVERNMENT FUNDING WILL INCLUDE**

1. Capacity funding to help set up the new organisation
2. Devolved funding for Housing and regeneration; Local transport; Local growth; Adult skills (except apprenticeships)
3. A 30-year Investment Fund to include revenue and capital spending.

Also the Authority may introduce a Mayoral Precept on council tax.

**STRUCTURE AND ORGANISATION**

The councils of Hampshire County Council, Isle of Wight Council, Portsmouth City Council and Southampton City Council will be the **constituent councils** of the proposed **Mayoral Combined County Authority (MCCA)**.

The MCCA will have **five constituent members**, two appointed by HCC, and one each from the other three constituent councils. **The Mayor** will be directly elected by local electors across the four constituent council areas. The first mayoral election will be on 07 May 2026, for a four-year term.

The Mayor will appoint a **deputy Mayor from among the constituent members**. **Constituent members** may appoint **up to five non-constituent and associate members** to support delivery of their work programme.

## LOCAL GOVERNMENT REORGANISATION

### Forming new Unitary Authorities in Hampshire and the Isle of Wight

See BDBC website [www.basingstoke.gov.uk/future-councils](http://www.basingstoke.gov.uk/future-councils)

Government has set out the criteria for new Unitary Authorities including that they should have a population of at least 500,000, although there may be exceptions if new structures make sense for a specific area.

Basingstoke & Deane has a population of c185,000; Borough/District Council areas will need to combine in some way, with much negotiation.

- Outline proposals for new Unitary Authorities need to be submitted to Government by 21 March and a final proposal by 26 September 2025.
- New Unitary Councils will take over from April 2027 or April 2028, with potentially a period operating as 'shadow councils'.

## NEW NPPF AND LOCAL PLAN UPDATE

Call for Sites 06 January to 17 February; awaiting publication.

BDBC Cabinet meeting of 11 Feb confirmed it is not possible to continue with the current Local Plan Update process. Following the call for sites, there is insufficient time to prepare the evidence base for the additional housing sites needed. To proceed under transitional arrangements requires 80% of the new standard method housing figure, and Reg 19 consultation by 12 March.

Thus it has been confirmed the process will go back a stage with a further Reg 18 consultation to be published in the Autumn. This will include a new spatial strategy for the higher housing numbers

## WHEN SHOULD YOU RESCUE A HEDGEHOG?

*Emily Harper, Nottingham Trent Uni*

Hedgehogs are the most rescued wild animal in the UK. When do they need help, and when best to leave alone?

Our spiky friends are commonly seen snuffling around gardens at dusk. In the past, the public was advised to pick up underweight hedgehogs in autumn and keep them inside until spring, as it was thought that they couldn't survive hibernation. Ecologists now know that smaller hedgehogs can survive the winter.

In fact, with climate change making UK winters warmer and wetter and temperatures remaining higher throughout autumn, hedgehogs are remaining active for longer. Some are not hibernating until as late as December or January, which gives them plenty of time to gain weight.

There are over 300 hedgehog rescues in the UK, but in autumn and winter, many of them are full and unable to take admissions. One study in 2006 estimated that there were 40,000 hedgehogs in rehabilitation in the UK alone. Small but healthy autumn juveniles can take time to get up to a healthy release weight and take up space that could be used to treat an unhealthy or injured hog.

## ELM TREE PLANTING Cleresden Meadow Saturday 16 January

Forty eight Elm saplings *Ulmus Ademuz* have been planted in Cleresden Meadow for the Cliddesden Community Conservation Group. The trees are bred to be resistant to Dutch Elm Disease and allocated by the Hampshire Forest Partnership in their bid to 're-Elm Hampshire'.

### When you should intervene

Hedgehogs are nocturnal. As an exception in the summer months, pregnant hedgehogs are occasionally seen building nests during the day, but in the autumn and winter, the only hedgehogs active in the day are likely to be unwell.

Any injured hedgehog will need rescuing. They may be dragging a leg, bleeding, wobbling or walking in circles. Body condition is more important than weight alone. Hedgehogs that are pointed at the tail end and have their hips or shoulders protruding are in poor condition and these are the ones most in need of rescue.

Gardens can be a great habitat for hedgehogs. Creating areas that offer

wild food – log piles, long grass and compost heaps – will enable them to dig for worms, bugs, beetles and other insects. Don't bag up leaves, piles of them can attract insects and make great bedding for hedgehog nests. All wildlife needs fresh water, so make sure to put out shallow bowl.

If you see an injured hedgehog or find one out in the day, please pick it up with a towel and place it in a high-sided plastic box with a hot water bottle. Contact your nearest rescue for advice or take the animal to your nearest vet. Find a rescue at [www.helpwildlife.co.uk](http://www.helpwildlife.co.uk)

Remember: hedgehogs that are out at night and appear healthy are best left in the wild.

# Cliddesden Primary School

Here at school we have settled into 2025 nicely and we are all eager for the more pleasant spring weather to arrive.

Our football team played their last league match against Oakley Juniors. We were defeated 7-0 but that score line didn't reflect the effort and great teamwork that the children displayed. Oakley are notoriously good in all sports events and the skill that they showed supported that reputation.

However, our team demonstrated pride and resilience and kept trying hard, defending toughly and never giving up in search of an elusive goal.

The Norman League Tag Rugby League resumed this month at St John's. The first game against Kempshott didn't go too well for the Green and Yellow Army as we were defeated 4 tries to 1. The team picked themselves up to draw 3-3 against North Waltham and in the last game were narrowly defeated 4-3 by the hosts.

This leaves us bottom of the group but only 6 points behind the current leaders. With two more legs to go any of the four teams could still win it. Let's hope for an improvement in the next games. Cliddesden have been the champions for the last two seasons.

On a Wednesday morning in January, just as we were

finishing our playtime, an ambulance arrived. Willow Class were so excited!

We had a visitor, Alex the paramedic. Alex brought one of the ambulances he works in to show us. We asked lots of questions and learnt all about Alex's job. He told us about how many emergencies he might attend in one day (2-5). He told us Hampshire Ambulance services can go to 2,000 emergencies in a day all together!

We looked carefully at the outside of the ambulance, watched and counted the flashing lights and listened to the noisy siren!

Alex showed us the ramp and how the stretcher comes out to help patients. We looked inside the ambulance and Alex showed the computer, camera, pull down seats, wheel chair and heart monitor. There were lots of tidy cupboards too.

Alex opened up the emergency first aid bags he might take to an emergency too. He talked about his uniform and we liked the badge with a crown and snake.

Thank-you Alex for coming into Cliddesden School and sharing your amazing job with us.

We have been learning about 'People who help us.' What job will we learn about next?

The children and staff all look amazing with their Mad Hair Day hairstyles. We were supporting St Michael's hospice with this special day. We raised around £90.
