THE 2025 CLIDDESSEN PANTOMIME

Cliddesden Village Hall

“Catch a Falling Star” by Martin Amos

Friday 12th December 8.00pm

Saturday 1.30pm Matinee

Saturday Night SOLD OUT

Doors open 30mins before the performance begins

Laughter, silliness, gorgeous costumes, brilliant acting, sound effects and fun! Yes, it's the Cliddesden Pantomime!

It's Christmas Eve and the house is quiet but then the magic begins Come and meet some Christmas toys, a cynical Elf, a sparkly new Star and a Christmas tree Fairy with attitude and a grudge!

There is mayhem in the kitchen whilst the householders are out, but what is the Rag Doll up to, what is she baking, and why is the Gingerbread Man so worried? And what on earth has happened to Brabie! Can Action Man help?

The jokes and slap-stick continue as the evening rolls on but will calm be restored before Henry and his wife return (or before the audience leaves)?

The night ends with the ever popular 'Twelve Days of Christmas'.

Box Office: Adults £10 Children (2-16) £5

Contact: Jo Capehorn on 07528 856157 or email: events@cliddesdenhall.org.uk

Information on how to pay will be given when tickets are ordered.

Please advise if there are mobility difficulties or if a wheelchair user.

At the Matinee the front rows of seating will comprise 'children only' seats.

Licensed Premises, refreshments available – CASH preferred, please.

Village Hall News

cliddesdenhall.org.uk
facebook.com/CliddesdenVillageHall

As we are approaching the end of the Hall's 25th year of operation, I am pleased to report that the refurbishment and maintenance works that the Trustees planned for the year have now been completed.

The final items of the Plan are the amazing Proscenium Arch designed and constructed by Darren Capehorn and his talented installation team, together with the new stage curtains.

These will make their debut at the Christmas Panto (hopefully!) on the 12th & 13th December, and will take the experience of this much revered annual production to the next level.

So, if you haven't already bought tickets, I would urge you to do so, for the best Pantomime experience outside of London's West End!

I will be providing a more thorough summary of the activities completed in the Hall during this year in my January 2026 report, and I hope that those visiting the Hall during the festive season will welcome the improvements that have been made.

We will be planning further upgrade works during the next year or so, subject to raising the required income from the local community. I would, therefore, like to draw your attention once again to the **GIVE AS YOU LIVE** online scheme, which I know some residents are already using. Historically we have received just over £4,000 from this platform!

When you shop at over 6,000 top stores including John Lewis & Partners, Expedia and Marks & Spencer via Give as you Live Online, they'll turn a percentage of your spend into free funds for us! Simply sign up at:

www.giveasyoulive.com/charity/cliddesdenhall

Search for the retailer and start shopping. With the Christmas season ahead of us there could not be a better time to join the scheme and help the Hall.

In the interim I would like to wish you all a Happy and Relaxing Christmas.

CLIDDESSEN

This month 15 members came along and listened to our speaker Richard Cook with his talk on Homeopathy - Medicine for the 21st Century.

Richard qualified in 1991, after personal experience of homeopathy medicine to cure stomach pains.

Rather than providing relief for the symptom homeopathy targets the cause. Often patients present with multiple symptoms which help to match a particular remedy to the individual.

A member asked "Do you need to believe in it?" Richard answered that there are homeopathic vets and animals wouldn't be aware of the benefits. So no it is not important to believe.

This was a very thought provoking presentation enjoyed by all.

Our Christmas meeting is on 15th December at an earlier time of 11.30am, where we will be having a luncheon and social with games. This is a members only meeting.

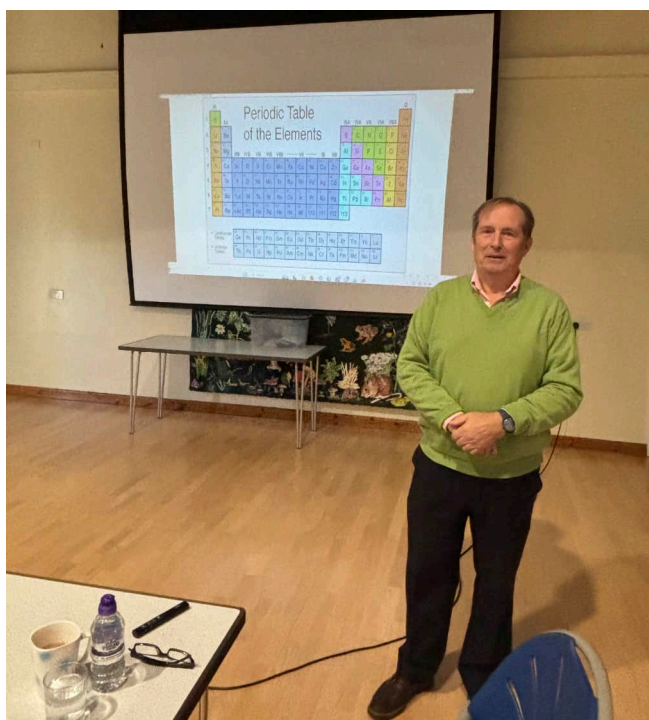

We will return to our normal time of 10.30am on Monday 19th January, where we will be having a Macrame Workshop - making keyrings. (Cost of £6)

The members and myself would like to thank our WI committee for their outstanding work so far this year.

Lastly,

Merry Christmas and Best Wishes for 2026 from everyone at Cliddesden WI

Merry Christmas and a Happy New Year

At the Year End of 2025 the 'Sunny Uplands of 2026' are calling

Our AGM and Social evening was held at the end of November, instead of a speaker we had a Quiz with 'sumptuous prizes', and excellent refreshments. Our thanks go to everyone who helped with all the preparations and we hope everyone enjoyed the evening.

The AGM is the start of our new season for the Society; subscriptions are due and the new programme for next year is published. New members are always very welcome, so if you are new to the area and would like to join the Society, please do get in touch with any committee member.

will do in the future(!), as well as our thanks to the Millennium Hall in Cliddesden where most of our meetings take place.

What are you going to grow next year?

The best thing about growing things, whether it's in a pot or a field, is that each year the reset button is pressed, and you can start again, but now you are older and wiser so will obviously do a much better job. This rule applies whatever age you are or experience you have!

Every year there is the discussion about what to grow next year, decid-

ing what did well last year and so is worthy of planting again, as well the favourites that are the staples of your garden or allotment. There will be the favourite regulars, when the list is written down it always seems to be a lot. However, there will be so many new plants that have caught your eye that you would like to try. Gardeners are optimists, so if you can find space then give it a go.

(P.S. Put a few extra seeds in for the Plant sale in May!!)

Good luck!!!!

Up and Coming in 2026

January 15th will be the Quiz with the Valley Gardening Club at Preston Candover. The Society always used to have an annual Quiz with our neighbours, but the original series lapsed. We resurrected it two years ago so this will be our third quiz of the new series.

On January 29th we have our first Meeting, which will be 'Water in the Garden' with Christian Dupont, who is a specialist garden contractor specialising on pond creation and maintenance.

As usual visitors and guests are very welcome to join us, there is a charge of £2.00.

Details of our meetings, timings, venue, etc., are published to members in 'Round Robin' reminders, on posters and Village Facebook groups, as well as in Hill and Dale.

Our special thanks to the committee for all the work they have done, and

All good wishes for Christmas
and the New Year

NOTES FROM NOVEMBER PARISH COUNCIL MEETING

Present Parish Cllrs, Clerk, County Cllr Juliet Henderson; Ward Cllr Onnalee Cubitt; Village Hall Chairman Les Smith. Members of the Public 4.

New Parish Councillor Nicola (Nic) Barnes from Cleresden Rise was co-opted to the Parish Council with unanimous agreement.

The Firs, Hackwood Lane, planning application A note from the case officer awaiting additional information requested from the applicant: 'I will chase this up; I will not be able to wait indefinitely as the application will need to be progressed to a conclusion in the near future... no certainty what would happen next we haven't yet reached that point.'

Hackwood Park planning application Second Liaison Group meeting further considered key objections and reasons for concern. For Cliddesden, focussed again on the need to revisit and reimagine the Back of House facility such that it relates to the Park and enhances its location. Maybourne and their planners are revisiting and amending plans; also in response to comments from statutory consultees. Noting objections from both Urban Design and Landscape in relation to the Back of House facility on Farleigh Road.

Neighbourhood Plan monitoring BDBC will assess planning applications in Cliddesden decided within the first year of the Neighbourhood Plan (NP)'s adoption, as to whether and to what extent proposals and outcomes have complied with relevant NP policies.

Internal audit 2024/25 completed.

Precept request 2026/27 The Parish Council has sought to keep its Precept as low as possible while it has been able to do so. The cost per household of the current Precept of £9,518, is lower than in 2022/23. There is an argument for increasing the Precept to meet a current need and also to build reserves for future needs, eg updating the Neighbourhood Plan. For January decision.

Lengthsman visit – an additional visit requested for clearing grips.

30mph request for Woods Lane to M3 Response from County Council Safer Roads team: 'Regarding Woods Lane, this location does not meet the

criteria for prioritisation and no further action is planned.'

Speed indicator device (SID) data and traffic calming. SID data submitted to HCC Highways with a request to upgrade traffic calming measures in Farleigh Road.

Highways engineer response: 'I can confirm that there have been no recorded injury collisions on this stretch of road. As such, there is no basis for the County Council to consider further traffic management measures at this location... to consider the Community-funded initiative... we could arrange for the existing speed limit roundel road markings to be refreshed. This would need to be funded by the Parish Council.' Agreed to proceed with this measure using CIL funding.

StaNHD (Stand up for the North Hampshire Downs) community engagement The StaNHD action group is seeking to raise funds for expert advice and is concerned that there isn't widespread appreciation of the reality and implications of Upper Swallick.

Agreed to produce an information leaflet to summarise the Upper Swallick proposal in bullet points with a clear map; distribute to Cliddesden and neighbouring parishes. StaNHD has people dealing with the technical side but needs people who can help with PR and marketing. To also consider crowd funding.

Next Parish Council meeting Tuesday 06 January, 7.30pm, Village Hall.

COMMUNITY INFRASTRUCTURE LEVY www.basingstoke.gov.uk/CIL

A proportion of the levy secured from new development (25% if the area has a Neighbourhood Plan, 15% if it does not) is passed to the Town or Parish Council where the development has taken place.

Spending guidance In accordance with Section 59C of the Community Infrastructure Levy (Amendment) Regulations 2013, this must be used to: Support the development of the local council's area by funding:

- the provision, improvement, replacement, operation or maintenance of infrastructure
- anything else that is concerned with addressing the demands that development places on an area.

BDBC LOCAL PLAN INFORMATION EVENT

To be held on the afternoon of Tuesday 13 January, 2pm to 8pm, at Cliddesden Village Hall

This will be a drop-in session with information boards about the Local Plan draft Spatial Strategy and allocated sites.

Officers will be present to help answer questions.

Extract from letter from BDBC Council Leader Cllr Paul Harvey and Cabinet member for Strategic Planning & Infrastructure Cllr Andy Konieczko

‘Dear all, Many of us are experiencing a very strong sense of *déjà vu* because we’ve been here before, almost exactly two years ago, when we decided to take our first draft Local Plan to public consultation.

‘A lot has changed since then.

‘As we all know, the most significant new development has been the change of Government, with its clearly stated desire to ‘build, baby, build’. For us here in Basingstoke & Deane, that has meant a significant jump in the housing target that our next Local Plan needs to meet, from around 830 new houses per year under the old rules to around 1,150 now. That works out at around 6,300 extra new houses over the life of the Local Plan up to 2042.

‘This change has meant that we’ve had to go back to the drawing board with our Local Plan process... We’ll be the first to admit that developing an updated Draft Spatial Strategy has been a real challenge. It’s involved us making some very difficult decisions and we’ve been forced to include sites that we were able to keep out of previous iterations. We don’t take any pleasure from that.

‘We genuinely believe that continuing with the Plan-making process is better than the alternative of either allowing rampant speculative development or having our planning powers taken from us by the Government. That really is the choice; we either take this Plan forward and make some decisions ourselves; or we let others make those decisions for us.

‘We encourage you to take part in the Regulation 18 Consultation. Please consider that we have had to find 6,300 more houses than before. This is not straightforward in any way and we want to be honest and open with you about the situation.’

LAUNCH OF BDBC’S LOCAL PLAN DRAFT SPATIAL STRATEGY REG 18 CONSULTATION

Take part from Friday 28 November to Friday 23 January

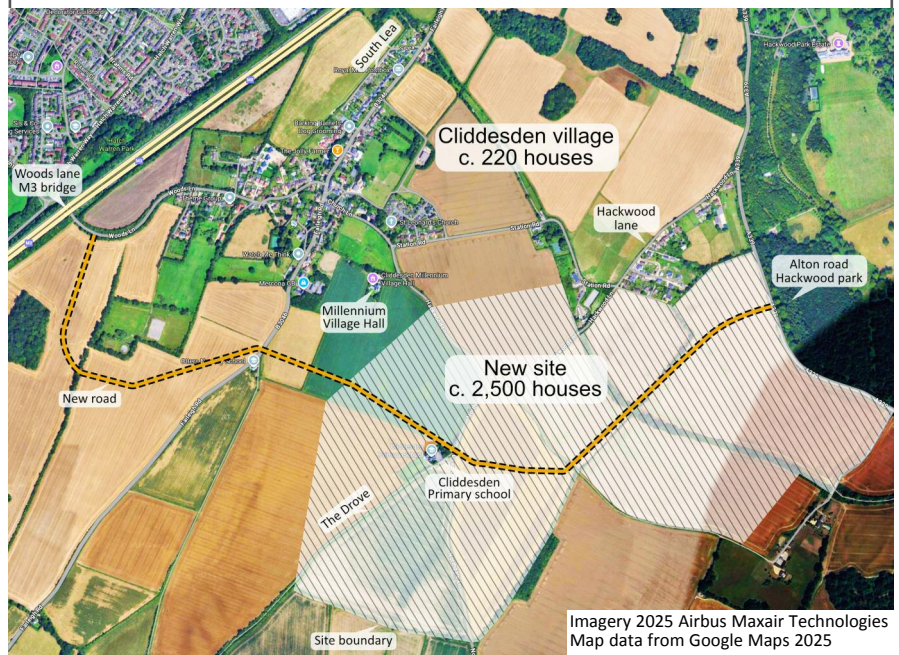

The consultation is your chance to give your views on the new Draft Plan that will guide development and planning decisions in the area until 2042.

The consultation focuses on an updated Spatial Strategy, which meets additional housing needs required through new National Planning Guidance published late last year. PLEASE NOTE Comments submitted to the last Reg 18 consultation in early 2024 remain valid and under consideration.

MAP FROM CLIDDESSEN STANHD OF UPPER SWALLICK PROPOSAL

2,500 NEW HOUSES IN OUR VILLAGE THE FIGHT STARTS NOW

Known as Upper Swallick, this concept has been included in the draft Basingstoke Plan

Imagery 2025 Airbus Maxair Technologies
Map data from Google Maps 2025

- A new road will be needed to connect the A339 (Alton Road) to Woods Lane (see map).
- Possible 10,000 extra vehicle movements. Can you imagine the traffic problems?
- The concept is called a Garden Village. Please do not be fooled, it is a high-density housing estate.
- If approved, Cliddesden will become part of Basingstoke’s urban sprawl and we will lose our unique village feel and heritage.
- We would lose farmland and views, instead gaining noise, light, and air pollution.
- **If you oppose Upper Swallick, you and all your family need to object as part of the Reg 18 consultation.**

LOCAL GOVERNMENT REORGANISATION – GOVERNMENT’S CONSULTATION

<https://consult.communities.gov.uk/local-government-reorganisation/hampshire-isle-of-wight-portsmouth-southampton/>

Government has launched its consultation on proposals, submitted by first and second tier councils in Hampshire, for reorganisation into Unitary Councils that will deliver all local services. The majority of district and borough councils support proposals for four unitary councils in mainland Hampshire which include a Northern Unitary of BDBC, Hart and Rushmoor. Please respond to the consultation.

Farleigh Playgroup Celebrates 8 years!

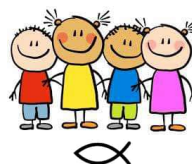

Lovely Melaine with some of our first playgroup children then and now!

This January our playgroup celebrates its 8th birthday. We have had the pleasure of seeing many children (and their grown-ups) grow and move on, but the friendships, fun, learning and laughter remain unchanged.

Come and join us one Friday morning. We always have craft, sensory play, stories, songs and lots of toys! You will notice in the magazine some of the beautiful angels the children made on our craft table. It would be wonderful to see you!

Harvest

We celebrated Harvest with our annual Harvest Sale last month.

Families donated tinned and packet foods which we gave to the Foodbank. Mr Davies, Rhea and Toby took the produce to the Foodbank where they weighed it all. This year we donated 102kg of produce - more than the previous two years so thank you!

Later in the week families brought in cakes and fruits which we sold at our Harvest Sale. Pupils from Year 6 ran the stalls and helped organise the event. This also included guess the weight of the pumpkins. As ever they were amazing.

We raised £220 from the sale. This will be donated to BBC Children in Need.

Stubbington

Year 4 had an amazing residential visit to Stubbington Study Centre! It was their first experience of being away from home overnight. It began on a very rainy day with an enjoyable trip to the beach. Some children were delighted to find shark teeth from hundreds of thousands of years ago! On the next day, the children found out about the importance of trees in the ecosystem and developed their teamwork skills. The second day ended with an evening game, searching for pirates who had stolen gold. After supper, it was time for the highlight of the trip: a chance to visit the hide, where everyone was lucky enough to see many wild badgers and foxes! On the final day, the Year 4 children learnt more about mapping skills. Everyone had a fantastic time and, although tired, there were many children who wanted to stay a little longer!

Village Visits

Oak Class visited St Leonard's Church in the village to help Claire Nunn with a Remembrance Day project. Oak and Willow Classes had made poppies that the older children helped make a display with, for the church to honour Remembrance Day.

The children in Willow and Beech classes visited the Cliddesden Garage as part of their History and Geography studies. The garage has been owned by the Mansbridge family for many decades and includes a remarkable collection of vintage vehicles that were built by Thornycroft in Basingstoke. The children enjoyed seeing the vintage vehicles which included an oil tanker, a Jaguar sports car and lots of tools. The children discussed the uses for the tools and saw a very heavy engine. Despite the rainy weather, everyone had a great morning. We are very grateful to Dawn and Tony for letting us see such an amazing collection of old vehicles.

Kenneth Davies Headteacher

Poppies!

You may have noticed over Remembrance Sunday a stunning poppy display at St Leonard's Church.

The display was made with contributions from groups across Cliddesden's community; Art Class, Brownies, Cliddesden Primary School, Farleigh Parish Playgroup, James's Place, Minor Keys (the Children's Singing Group), Otters Nursery and the WI.

It reflects a true cross-section of generations, particularly important as we commemorate 80 years since the end of World War II. Huge thanks to everyone who spent time making beautiful poppies and putting the whole display together.
