I hope that you all had an enjoyable Easter.

This month I enclose the report I gave to the 2025 Annual General Meeting of the Cliddesden Millennium Village Hall Committee at the end of March. This reviews the activities undertaken during my first year as Chairman and looks forward to the year ahead.

I would like to firstly thank my predecessor, Greg Mendelsohn for the service he has provided to the Hall committee over a 25-year period, 15 years as Chairman and the assistance he has given me in stepping into this role.

I would also like to take this opportunity to remember the villagers we lost during the year, Mary Thomas, and Ted Dowson, who both played such fundamental roles in the development of the Hall. They will be sorely missed but will always be remembered.

As the Hall entered its 25th year of operation it is clear to all how well the various teams of Trustees have maintained and cared for the building and its facilities over the years. This has been achieved whilst preserving a sound financial position. This is a legacy that the Trustees are focused on maintaining. To achieve this, it has been necessary to increase the letting rates charged for the use of Hall during the year. This was to offset the increased cost of running the Hall, which has been absorbed over a number of years. The increased hire rates charged, however, were reduced for activities used by the local community, and this is a strategy which we propose to continue with in the future.

During the last 12 months investment has been made in the following improvements to the Hall and its facilities.

- Upgrade of the Fire Alarm system.
- Installation of a Defibrillator in the entrance foyer, kindly arranged by Julia Ross.
- Purchase of new lightweight demountable staging, designed and managed by Darren Capehorn.
- Procurement of upgraded stage lighting projectors.
- Provision of support system to assist stage construction.
- Rebuild of the Hall entrance signage

A detailed financial report is provided separately but in summary the current financial position is very healthy. Whilst the income generated from the Hall lettings etc. is similar to its running costs, it has over the last 12 months benefited significantly from the following.

- Various charitable donations made to the Hall.
- Receipts received from Bauer Media, for accommodating a mobile transmitter on the site.
- Local Authority Grants.
- Parish Council payments for upgrading works to the Fire Alarm System.
- Cliddesden Players shows.

This additional income has been accrued at the same time as the Trustees have been developing a 5-year financial plan headed by Robert Gofton-Salmond. The plan is based on the results of a consultation process

undertaken with the local community concerning their future aspirations for the Hall and its facilities.

As a result of the above the Trustees have committed to the refurbishment of the Hall and Meeting Room Floor and the upgrade of Male & Female Toilet Areas. The work will be undertaken during August when the Hall will be closed for two weeks.

In addition to the above, further works have been identified in the 5-year plan, these include upgrading the Hall with Led lighting, refurbishment of the car parking surface, the provision and storage for new aluminium garden furniture, and the upgrade of the Hall's sound system. These items will be progressed as soon as finance allows, so 2025 promises to be an exciting and busy year!

As Greg acknowledged in his last Chairman's report, the successful running of the Hall relies on a good team and the contribution of many volunteer hours to maintain the standard of the facility which we currently enjoy. I have now seen and appreciate just how much work goes on behind the scenes by so many people to achieve this.

Firstly, I would like to thank our front of the house team, Pat Rampton, for managing the letting of the Hall. Ken Rampton, James Piper, and Annie Houstoun for opening and closing the Hall, keeping it clean and tidy and providing a welcoming face to hirers. Although there are too many people to mention here, particular thanks are due to the following.

To the Cliddesden Players, and their support teams, for the time and effort they devote during the year to produce two unforgettable events. This makes a significant annual contribution to the Hall's funds.

Our volunteers who help with the variety of maintenance and technical tasks during the year, Andy Fewster, Rob James, Martin Conboy, Chris Sandle and Darren Capehorn.

To the helpers and organisers of the Film Club and coffee mornings.

To Neil Carmichael and more recently Marcus Gorten for maintaining the grounds to a high standard and Marilyn Smith for her help with all things horticultural.

To the members of the Village Hall Management Committee for their advice and support during the year they are, in no specific order, Rose Beevers, Julia Ross, Bob Randall, Alex Conboy, Marilyn Smith, Hazel Metz, Sian Banks, Robert Gofton-Salmond and Christine Stanbury.

Finally, I would like to thank my fellow Officers for their patience, help and support they have given me during the year. They are the engine room of the operation. Vice Chair Angie Fewster for her Management and Organisation on a daily basis, Treasurer Julie James who does such an excellent job dealing with the Hall's accounts and Secretary Jo Capehorn who keeps us all in order on the documentation and administration side.

March and half of April were exceptionally dry and warm months, locally only 12mm of rain fell in March, which is the lowest for many years. Garden soils went from sodden to baked so I suspect there is still quite a bit to do to get seedbeds prepared for summer flowers and vegetables. At least grass hasn't been growing as vigorously as it might.

The Spring Show

The Spring Show at the beginning of April had us wondering if the warmth would result in the main event - the daffodils – would be over too soon, however in the event they were magnificent. Because they had not had any rain the quality was excellent, and they made a fabulous show. There were plenty of other blooms, and so much rhubarb there must be a glut out there!

Special mention for the young gardeners at Cliddesden School who grew daffodils from bulbs in pots that we supplied, and the daffodils made a great show. Congratulations to you for a magnificent effort.

Our thanks to everyone who took part, those who helped, and all the visitors who came to see the exhibits, buy raffle tickets, drink tea and eat cake.

The Plant Sale May 11th at 11.00am

The next event will be the Plant Sale on May 11th, starting at 11.00 am on the patio at the Millenium Hall in Cliddesden. If you want some plants, or have any spare plants or seedlings to donate, don't bin them, please bring them and do come along.

'Fit for Gardening ?' May 20th at 7.30pm

We will have a session 'Stretching for Gardeners', led by Jacqui

Matthews who must be known to everyone for her Yoga sessions locally, so do come ready for a little exercise to keep you gardening. Its probably better not to have a big meal before the meeting which is on Tuesday May 20th at 7.30pm at Cliddesden Millenium Hall.

Trees in Your Gardens May 29th at 7.30pm

Our last meeting in May will be Mark Hinsley talking about 'Trees in Your Gardens'. Mark in an Arboriculture Specialist and will cover the right trees for gardens and how to look after them and what to look out for to get the best from them.

Meanwhile here's wishing you good spring and enough rain to keep your plants growing.

We look forward to seeing you at any of the meetings.

In June we will visit a Japanese garden, created by Graham Bowyer who spoke to the Club last year. Details to follow.

Our Year 3/4 football team played a friendly match against St Mark's in March. It was the first match that they had played as a team. The game was very close and both sides demonstrated some good footballing. A half time the score remained 0-0 but later in the second half St Mark's broke through to put the ball in the Cliddesden net. With a few minutes to go Cliddesden almost equalised with one shot going just wide and another saved by the St Mark's keeper. At the final whistle the score was 1-0 to St Mark's but we are still proud of the effort that Cliddesden put in.

Our Year 5/6 Tag Rugby team had a successful visit to North Waltham yesterday in the third and penultimate stage of the Norman League. They beat North Waltham and St John's and drew with Kempshott. As you can see from the table below, only two points separate top and

bottom so with a possible 15 points on offer, all schools have all to play for in the final stage at Kempshott on April 28th. If we can show yesterday's form again, we still could be in with a chance to be champions again.

Table to Date	Tries Scored	Points
North Waltham	30	29
Kempshott	31	28
St John's	31	27
Cliddesden	30	27

The children in the **Rock 2 the Beat** bands were really excited to play in front of a live audience and all had big smiles on their faces having achieved so much over the

past term. It is such a pleasure to watch them grow in confidence and improve their musical skills. Some promising rock stars of the future.

Willow Class had a super Easter Egg Hunt.

We invited our grown-ups to come and help us solve some clues. We started in teams and found the first coloured egg. Inside, there was a clue to something we had learnt this term. Our grown-ups helped write the answer. Then we went off to find the next clue. We even had to do some weighing.

We all shared our answers and went to collect our prize. We had made wooden baskets and weaved material through the nails, and now the baskets had an Easter treat in them to take home.

Well done everyone for showing all you had learnt this term.

During the Spring Term, **Chestnut class** have been learning about The Romans as their history topic. The children have been fascinated by the topic and enjoyed learning about everything the Romans have done for us.

At the end of the topic, they performed a presentation assembly on all they have learnt to their families. The children approached the production with great enthusiasm and the end performance was a triumph. They sang, acted and danced their way through a potted history of the Roman occupation, finishing with a rousing finale detailing the sequence of invasions and occupation during the first millennium. Well done, Chestnut Class!

A fantastic £115 raised from the **Easter Cake Bake Sale** and congratulations to the winner of the Easter Hamper Raffle which was drawn live during assembly.
